EDUCATION

SEE

Orbit English Secondary School
-2073

+2 Science

Liverpool International College
2073-2076

BSc. CSIT

Swastik College
2076- Now

SKILLS

- UI/UX
- Flutter App Development
- Android Development
- Dart Programming Language
- Communication
- Web Development and Handling Skills

TRAININGS

Dart Language

(Self)

Learned Dart programming through online tutorials, practiced with coding exercises, and built small projects for hands-on experience.

Flutter

(Self)

Learned Flutter by following online guides, applying knowledge, tackling coding challenges, creating personal projects with practicality, and honing skills through consistent practice.

PROJECTS

eWallet UI/UX

2022

Blockchain eWallet UI/UX

Crafted a blockchain wallet's UI/UX by creating wireframes, conducting user testing, and iterating designs for an intuitive user experience along with Prototypes.

an eCommerce Website

2023

a Solo College Project

Created a static website by designing fixed content and layout elements without interactive features, ideal for simple information dissemination.
